The College

Sidney Sussex was founded in 1596 and is, therefore, one of the traditional Cambridge Colleges. While we may be old in terms of our foundation, we are a forward-looking College enjoying excellent facilities in a very attractive central Cambridge location and with a strong sense of community for all who work or study here.

We are one of the smaller Colleges, with some 350 undergraduate students and approximately 190 graduate students. This small size contributes towards the community spirit we enjoy. The College has about 50 active Fellows (i.e. academic staff), and about 100 staff.
